(E-Series vehicles with body codes E1B, E1E, E2E, E3B, E3E, S1E, S2E, S3B, and S3E are eligible for plan regardless of the VIN designation.)

**SEE UNIQUE PRICE SHEETS FOR LIMOUSINE, F-650/750, AND INCOMPLETE VEHICLES. DO NOT USE THIS PRICE SHEET FOR THESE VEHICLES.**

- (1) A vehicle is employed in a Commercial Use if: a) it is used primarily for business purposes, or for government purposes, including by an individual or multiple drivers of any government agency or municipality; or, b) it is used in a farm, delivery or construction business; or, c) it is designated by the Selling Dealer as a vehicle for Commercial Use when the sale is reported to the vehicle's manufacturer. For Ford, Lincoln or Mercury vehicles, this would include any vehicle reported sold with a Delivery Code of "7", "E" or "L". Non-compliance with Commercial Use surcharge will be subject to ESP audit and chargeback.
- (2) To be eligible for Snowplow Use, vehicles must be equipped with factory option code 53C, 86M, 862, 863, 864, 62B, 62S, 627, 63A, 473, 47B, 47S, 68P. The 2013 MY and later F-150 Super Cab and Super Crew pick-up, with 6.2L engine and XLT, FX, Lariat and Platinum trim levels only are Snowplow capable when the Outside Air Temperature (OAT) kit is installed. F-150 Snowplow installation is intended for personal use only. The snowplow surcharge box must be checked on the contract and applied when registering the contract in ESPS.

**PLEASE NOTE: The information above on Ineligible Vehicles and footnotes also applies to pages 5 through 8 (PremiumCARE, ExtraCARE, BaseCare and PowertrainCARE for New Vehicles). No mechanical plan covers the replacement of electric batteries in all-electric vehicles.**

**ELIGIBLE VEHICLES:** Vehicles equipped with a 3.2L or 6.7L Power Stroke® Diesel engine only. This includes incomplete vehicles that have the first three VIN positions of 1FC, 1FB, 1FD, 1F6, and 3FR (e.g., cab and chassis, box delete, commercial cutaway, stripped chassis, recreational).

**NOTE:** Plan may be purchased any time within the 5 years or 160,000 km from the warranty start date (WSD).

**INELIGIBLE VEHICLES:** Taxi, livery/commuter/limousine applications, law enforcement/police, fire, emergency vehicles, branded, electric, performance modified vehicles, vehicles used for racing, competitive driving, off-road use, vehicles equipped with a 6.0L and 6.4L Diesel Engine, and 4x2-equipped vehicles modified with 4x4/AWD capabilities.

- (1) A vehicle is employed in a Commercial Use if: a) it is used primarily for business purposes, or for government purposes, including by an individual or multiple drivers of any government agency or municipality; or, b) it is used in a farm, delivery or construction business; or, c) it is designated by the Selling Dealer as a vehicle for Commercial Use when the sale is reported to the vehicle's manufacturer. For Ford, Lincoln or Mercury vehicles, this would include any vehicle reported sold with a Delivery Code of "7", "E" or "L". Non-compliance with Commercial Use surcharge will be subject to ESP audit and chargeback.
- (2) To be eligible for Snowplow Use, vehicles must be equipped with factory option code 53C, 86M, 862, 863, 864, 62B, 62S, 627, 63A, 473, 47B, 47S, 68P. The 2013 MY and later F-150 Super Cab and Super Crew pick-up, with 6.2L engine and XLT, FX, Lariat and Platinum trim levels only are Snowplow capable when the Outside Air Temperature (OAT) kit is installed. F-150 Snowplow installation is intended for personal use only. The snowplow surcharge box must be checked on the contract and applied when registering the contract in ESPS.

**INELIGIBLE VEHICLES:** Taxi, livery/shuttle/commuter/limousine applications, law enforcement/police, fire, ambulance and emergency vehicles, tow vehicles, branded, Foose F-150, Mustang Boss Laguna Seca, GT, Shelby GT500 KR, Shelby GTS, GT500 Super Snake, Mustang Cobra R, Saleen and Roush Modified Vehicles (except Stage 1), performance modified vehicles, vehicles used for racing, competitive driving, off-road use, 4x2-equipped vehicles modified with 4x4/AWD capabilities, all incomplete and/or daily rental competitive-make vehicles, all incomplete Ford vehicles built with the first three VIN positions of 1FC, 1FB, 1FD, 1F6, and 3FR; and incomplete E-/F-450 and higher vehicles (except for F-450 complete), chassis cab, cutaways, stripped chassis. (E-Series vehicles with body codes E1B, E1E, E2E, E3B, E3E, S1E, S2E, S3B, and S3E are eligible for plan regardless of the VIN designation.)

- (1) A vehicle is employed in a Commercial Use if: a) it is used primarily for business purposes, or for government purposes, including by an individual or multiple drivers of any government agency or municipality; or, b) it is used in a farm, delivery or construction business; or, c) it is designated by the Selling Dealer as a vehicle for Commercial Use when the sale is reported to the vehicle's manufacturer. For Ford, Lincoln or Mercury vehicles, this would include any vehicle reported sold with a Delivery Code of "7", "E" or "L". Non-compliance with Commercial Use surcharge will be subject to ESP audit and chargeback.
- (2) To be eligible for Snowplow Use, vehicles must be equipped with factory option code 53C, 86M, 862, 863, 864, 62B, 62S, 627, 63A, 473, 47B, 47S, 68P. The 2013 MY and later F-150 Super Cab and Super Crew pick-up, with 6.2L engine and XLT, FX, Lariat and Platinum trim levels only are Snowplow capable when the Outside Air Temperature (OAT) kit is installed. F-150 Snowplow installation is intended for personal use only. The snowplow surcharge box must be checked on the contract and applied when registering the contract in ESPS.

**PLEASE NOTE:** The information above on Ineligible Vehicles and footnotes applies to pages 22 through 25 (PremiumCARE, ExtraCARE, BaseCare and PowertrainCARE for Used Vehicles). No mechanical plan covers the replacement of electric batteries in all-electric vehicles.
